# ALFCO 2ND BANQUET

For The Less Fortunate Children

---

**Please know that your generosity, prayers, and love have made this banquet possible so that we can care for these precious orphaned children.**

  
Advocates for the Less Fortunate  
Children Organization

## ***About Us: A Heart for Haiti***

We are more than just an organization; we are a family. Advocates for the Less Fortunate Organization (ALFCO) began with a group of friends and family in the diaspora, united by a desire to bring a ray of hope to vulnerable children at an orphanage in Haiti. For over four years, we've poured our hearts into this mission, providing consistent support for their food, clothing, and education.

We understand that life presents challenges, but our faith compels us to share our blessings. As Christians, we believe it's our duty to extend compassion to those less fortunate. That's why we formed ALFCO—to be advocates for those who need it most.

Our mission is rooted in God's love. We are called to stand with the broken, the poor, the oppressed, and the powerless. We strive to embody love and compassion, remembering who we are in Christ.

We are deeply thankful for the incredible support that makes our annual fundraising banquet a success. Your generosity allows us to answer the call of Psalm 82:3: "Defend the weak and the fatherless; uphold the cause of the poor and oppressed." Together, we are making a real difference.

May God bless you abundantly,
